BIO

Do you want EVERYBODY on the dance floor?

Do you want entertainment that actually ENTERTAINS?

Do you want a ONE-OF-A-KIND band that people of ALL AGES can dig?

THE ADORABULLS bring the fun with their unique take on '80s music and favorite party hits. They play an upbeat, high-energy show that gets people clapping, dancing, and singing along. From '80s to oldies, hip-hop to '90s alternative rock, they take cover songs on weird instruments to all new heights! Whether playing large outdoor festivals or more intimate clubs, the goal is an unforgettable party for people of all ages.

THE ADORABULLS get by with a little help from their friends: accordion, ukulele, acoustic bass, and a "drum kit" that is actually built around an old suitcase. Instead of producing carbon copies of your favorite songs, they add three part vocal harmonies, unique arrangements, and a revolving cast of lead singers to really breathe new life into them. This is fun music played by fun people. Add in humorous audience interactions and it becomes clear that this crazy band of visionaries will continue to push well beyond their hometown of Pittsburgh, PA.
